

Getting Ready for “K”

For parents with children entering JK/SK in September

This four-week evidence-based program has been developed to give parents information about what they can do to help their child get ready for Kindergarten.

Our goal is to increase parents' confidence and help them support their children in developing learning readiness skills and succeed in school.

Parents will be separated from their children for a portion of the time during each session.

Four interactive sessions include:

1. **How Your Child Learns**
2. **Help Your Child Get Along:** Communication & Social Skills
 - Talking & getting along skills
3. **Help Your Child Figure Things Out**
 - Problem solving & independence
4. **Going to School**

Where: Hartman P.S. (Aurora)

When: August 3, 10, 17 and 24, 2011

Time: 10am – 12 noon

For more information and to register your JK/SK child for this free program please contact the Aurora OEYC at 905-751-1011.
