A Message from the York Region Chairman and CEO

On behalf of York Regional Council and The Regional Municipality of York, I would like to extend my greetings to the Social Enterprise for Canada (SEC) Celebration Gala.

A quarter century of providing service to Canadians is certainly an accomplishment worth celebrating. The honourable work of SEC has had a tremendous positive impact on many individuals and agencies within York Region.

York Region is home to more than one million residents – and growing. As our numbers grow, so does our need for social services. We have been pleased to work with SEC over the years on initiatives to support our families, youth, children and newcomers and look forward to the opportunities ahead.

I applaud the efforts of all those who continue to bring about change and improvement through the services provided and agencies supported through SEC. Your efforts will continue to improve the lives of many.

Please accept my best wishes for a wonderful event and ongoing success in your admirable work.

Yours truly,

Bill Fisch
York Region Chairman and CEO
