

Dear Parents and Guardians

The Boys and Girls Club of York Region recently completed its 2018 budget and like every other business in Ontario, we have to deal with the recent increase in the Ontario minimum wage. Being a not for profit organization, we need to pass along our increased costs to you. A review of fees with other local daycares was also conducted and even with the increases for 2018, we are pleased to be able to continue to be below the average fees being charged in York Region.
