IMPORTANT NOTES

- A court order or a signed agreement is required for service.
- In order to be eligible for service there can be no involvement with the Children's Aid Society.
- Supervised exchanges (staggered transfers of child(ren) from one parent to another) are available at all centres.
- There will be an Intake Interview and an orientation by the child(ren), before the first parental visit.
- Receiving service in a language other than English is a possibility and can be discussed during the Intake Process.
- All services are supervised by trained staff
